Palmer Electric Announces Project Manager Promotion

WINTER PARK, FLA. – May 14, 2007 – William Lassiter has been promoted to project manager at Palmer Electric Company. Lassiter oversees electrical construction of commercial projects at Palmer. Employed at Palmer for over six years, Lassiter holds an associate degree from Valencia Community College.

“It’s very rewarding to see our team members grow professionally and continue to make our organization stronger,” stated Tom G. Beard, president of Palmer Electric Company.
