Palmer Electric Completes Industrial Complex for The Pizzuti Companies, LLC

WINTER PARK, FLA., January 5, 2007 – Working with Exxcel Project Management of Columbus, Ohio, the commercial division of Palmer Electric Co. has completed its contract with Whirlpool Distribution, a 500,000-square-foot industrial complex composed of three new distribution buildings in South Orlando, Fla. The Pizzuti Companies, LLC is the owner and developer of the build-to-suit project for end-user, Whirlpool. The appliance giant plans to use the facilities for the distribution of its line of household appliances.

Architecture was provided by Glavan Feher Architects, Inc. of Columbus, Ohio with Winter Park, Fla.-based, A. K. Schruggs & Associates providing electrical engineering.
