

## **Palmer Electric wins five Excellence in Construction awards**

WINTER PARK, Fla., October 9, 2008 — Palmer Electric Co. was honored with five Excellence In Construction awards from the Associated Builders & Contractors at the association's annual banquet held on October 4 at the OMNI Orlando Resort, ChampionsGate, Fla. An Eagle, the highest award given in each category, was presented to Palmer Electric for Veranda Park Building 1500, a mixed-use building in Orlando. Awards of Merit were accepted for Hospice of the Comforter, a healthcare facility in Altamonte Springs, and for Lucerne Terrace parking garage in Orlando. Palmer Electric's team also received Honorable Mention for two projects in downtown Orlando, the Jefferson Street parking garage, a city-owned parking facility, and 101 Eola, a 12-story condominium.
