

## **Palmer Electric to wire five Park Square Homes' subdivisions**

WINTER PARK, Fla., September 16, 2008 — The residential division of Palmer Electric Co. today announced it has secured five contracts with Park Square Homes for electrical contracting services at communities in Central Florida. In Orlando, Palmer is wiring single-family homes in Waters Edge at Lake Nona and in Newberry Park. Palmer is also working in two, gated resort communities in Kissimmee, Encantada and Bellavida. At Prairie Lake Reserve in Ocoee, Fla., Palmer is handling wiring for Park Square Homes' collection of custom townhomes.

Palmer is supplying and installing lighting fixtures for all communities through its sister company, Showcase Lighting.
