

Palmer Electric Co. branches out opening office in Lakeland

WINTER PARK, Fla., September 24, 2008 — Central Florida's oldest continuously operating electrical contracting company, Palmer Electric Co., has branched out of East Central Florida and opened an office in Lakeland, Fla. The Company has signed a long-term lease on a 1,550-square-foot office/warehouse in Ruthven Commerce Center on New Tampa Highway.

According to President Tom Beard, the electrical contractor can now expand its geographical reach from Polk County to Florida's west coast. Contracts have been secured to wire four single-family and townhome communities in Polk County. For KB Home, Palmer is on the job at Festival Point and Parkridge both in Mulberry, and at Bridgewater in the City of Lakeland. In Auburndale, Palmer is wiring single-family homes in Lake Juliana Estates for Toll Brothers.
