Palmer's residential division wiring Engle Homes' community

WINTER PARK, FLORIDA – (January 31, 2006) – Engle Homes has selected the residential division of Palmer Electric Company to wire the Retreat at Twin Lakes, a new, gated townhome community in Sanford, Florida. According to Palmer's residential division manager, Don Stebbins, nine of the planned 47 buildings in the complex are currently under construction. A total of 263, two-story townhomes will feature two- and three-bedroom floor plans with a garage. Retreat at Twin Lakes is scheduled for completion in January of 2007.
