**Park Square Homes selects Palmer for residential project**

WINTER PARK, FLA., – July 6, 2006 – Park Square Homes has selected the residential division of Palmer Electric Company for the electrical contracting at Belmeir, a single-family community in Winter Garden, Fla. The Palmer team will provide wiring for 85 homes. The contract has a twelve-month construction schedule.

Palmer has a strong new home Residential Division serving the needs of homebuilders throughout Central Florida. Included among Palmer's residential clients are: Engle Homes, Greater Homes, Transeastern Homes, Landstar Homes, Mercedes Homes, DeLuca Homes, Park Square Homes and RD & C Homes. Additionally, Palmer's Residential Division works on home renovations and additions, and provides consumers with round-the-clock service and repair.
