Palmer Electric Completes Crystal Lake Elementary School

WINTER PARK, Fla. – August 31, 2006 – Palmer Electric Co., the longest continuously operating electrical contractor in Central Florida, completed work on the new Crystal Lake Elementary School in Lake Mary, Fla., in time for the 2006 – 2007 school year. Project general contractor, R.E. Harris Construction Corporation, chose the Palmer team for site and building electrical contracting for the Seminole County Public Schools facility.

Designed by SchenkelSchultz Architects, the two-story building has a total of 115,000-square-feet. Engineering services were provided by Matern Professional Engineering.
